DIRECTIONS TO WAITARA FROM DUBBO

From Dubbo take the Mitchell Hwy to Narromine.

In Narromine turn LEFT at the cenotaph and go over the railway line.

Take first RIGHT at the Narromine Hotel, sign says to Dandaloo. Follow this road out of town, over the railway line again and drive about 50km to a T-intersection with the Trangie/ Dandaloo Rd.

Turn LEFT and drive about 16km to Dandaloo (locality).

Turn RIGHT onto Tabratong stockroute (this turn is about 500m before you cross the Bogan River). Follow stockroute (gravel + tar) for about 18km to a T-intersection with the Nevertire/Tottenham Rd.

Turn RIGHT and drive about 6km to a black entrance with a large silver mailbox (Acacia) and a Waitara Angus sign on the LEFT. You will pass a silver entrance on your left after 2km also called Waitara- this is the wrong entrance- keep going.

From the Waitara Angus entrance you can see the house, cattle yards & sheds.

We are on UHF channel 9. There is patchy mobile service.
